

Submitted Messrs. Wright Johnston & Mackenzie  
be informed that the instructions to Non-Exclusive Surveyors  
to forward to this Office copies of all reports of surveys  
on classed vessels were issued prior to 1905, also that the  
Society's Surveyors both Exclusive and Non-Exclusive, at  
Foreign ports are at liberty to prepare specifications for  
repairs and act on behalf of Owners in such matters.

As stated in the Secretary's letter of the 3rd  
September, 1912, there are no copies in this Office of any  
damage survey reports issued by the Surveyors to this  
Society at San Francisco on the 19th, 20th and 26th May,  
and 15 June, 1905, and if such copies had been <sup>received</sup> in existence  
here they would have been attached to the Surveyors Repair  
Report, which was forwarded to the Glasgow Surveyors on the  
8th August last and is now in the custody of the <sup>Court</sup> ~~Committee~~.
