Dear Sir,

S/S "Camosun"

With reference to our previous correspondence with you and your Glasgow office in connection with this matter, the trial is to proceed on 1st prox. within the Court of Session in Edinburgh.

We trust you will pardon our addressing you directly but we hesitated to write to London in your absence in case the letter would simply be sent on to you for attention. We require the attendance of Mr. Mares and Mr Gardner Smith as witnesses to speak to their reports, and in particular in order to rebut the statements which have been made by your surveyor at San Francisco, Captain Metcalfe. We know of course that in ordinary circumstances your Surveyors are not permitted under your Regulations to submit themselves for Precognition, but in the special circumstances of this case/

case, as serious reflections are ^{made} ~~caused~~ not only upon the Builders but also upon the various Surveyors, it seems to us that your Committee might be disposed to relax the rule somewhat, and allow us at any rate to discuss matters with these gentlemen beforehand. We shall be glad to hear from you at your earliest convenience.

Yours truly,

H. High Johnston & Mackenzie
