

Submitted the Glasgow Surveyors he informed that there ^{are} no copies of damage survey reports issued by the San Francisco Surveyor ~~in this office~~ on the 19th, 20th to 26th May & 15 June '08 in this office. If such copies had been received they should be attached to the San Francisco Repair Report of June '08 which was forwarded to them on the 8th Inst.

They should be requested to inform Messrs Wright Johnston & Mackenzie to this effect, and also that in any case in which the Society's Surveyors abroad issue a damage survey report on a vessel they are required to forward a copy of the same to this office for the information of the Committee.

The San Francisco Surveyors should be informed that in an action pending between the Owners & Builders of the S. S. "Carnarvon" the Society has been called upon to produce all documents or copies of documents, which have passed between the Society or its Surveyors and the Owners, respecting this vessel & the damage she is alleged to have sustained on the voyage out & the repairs carried out.

On producing the San Francisco Repair
Report of June '05 attention was called to
a print of four damage survey reports said
to be issued by Captain Metcalfe and dated
19th 20th & 26th May and 15th June '05, copies
of which do not appear to have been received
at this office. In these circumstances Cap^t
Metcalfe should be asked to state if he issued
these damage survey reports to the Owners &
also if he forwarded copies to this office &
~~on what~~^{the} date of his advice respecting the
same.
