Feb 17th 1906

The Secretary, Glasgow

Sir

In reply to the General Secretary's letter of the 13th inst. enclosing one from the Owners of the S.S. "Carnosun", as regards the electric wiring of this vessel I beg respectfully to say that this was carried out under my supervision & to my satisfaction. The wires were not bunched together more than is usual in ship lighting, the insulation was good & I know of nothing about the installation likely to have caused danger of fire.

I am Sir

Yours obedient servant

H Gardner Esq. M.
