15th February 1906.

Sir,

With reference to my letter of the 29th June and your reply of the 10th July last, respecting the steamer "Camosun" built at Paisley by Messrs Bow McLachlan & Co. last year, I have to send herewith a letter which has now been received from the Owners of the vessel regarding alleged defects in the stepping of the masts and the electric wiring, and I shall be glad if you will be so good as to request the Surveyors to report upon the statements contained therein for the information of the Committee.

Please return the enclosed letter with your reply.

I am, Sir,

Your obedient servant,

Secretary.

T.J. Dodd Esq.,
