It is submitted the Union Steamship Coy. of British Columbia should be informed in reply to their letter of 7th May 1906 relating to the S.S. "Camosun", that the matter referred to therein has been carefully investigated and so far as can be ascertained there does not appear to be any grounds for their statement that the workmanship and materials of the vessel were bad, also there is nothing to add to what they were informed by letter dated 21 April 1906.
