

Copy.

1st June 1906.

Dear Sirs,

I duly received your letter of the 7th instant respecting the case of your steamer "Camosun" and note the further remarks which you make with reference to this vessel. With regard thereto, however, I am directed to say that the matters to which you refer have been carefully investigated and that, so far as can be ascertained, there does not appear to be any ground for your statement that the workmanship and material of this vessel were bad.

With regard to the other points I have to say that there is nothing to add to the intimation conveyed in my letter of the 21st April last.

I am, Dear Sirs,

Yours faithfully,

Secretary.
