

Messrs. J. Readhead's No. 518.

Plans, in duplicate, of cruiser stern framing, panting arrangement, double bottom stiffening forward and watertight bulkheads submitted by the Builders direct.

It is submitted the Builders be informed that provided the arrangements be carried out as shewn and amended and to the satisfaction of the Society's Surveyors, they will be approved.

The Builders should be informed that the final paragraph of their letter has been noted, and the arrangements made by them are in order.
