

COPY.

Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

ENCLOSURES.

19th January, 1938.

Dear Sirs,

M. I beg to return herewith one copy of each of the plans, forwarded with your letter of the 8th instant, of midship section, profile and decks of the Single Screw Steamer No. 515 proposed to be built by your goodselves, and with regard thereto I have pleasure in stating that provided the scantlings and arrangements as shewn and amended be adhered to, the Rules in all other respects be complied with, and the materials and workmanship be to the Society's satisfaction, the vessel will be eligible to be classed 100A1 with a freeboard corresponding to a draught not exceeding that contemplated by the Rules for a complete superstructure vessel having a tonnage opening.

The duplicate plans are being retained for record.

At the same time I enclose, as desired, a memorandum setting forth the freeboards which have been provisionally assigned to this vessel.

I am, Dear Sirs,

Yours faithfully,

Messrs. John Readhead & Sons, Ltd.,  
West Docks,  
SOUTH SHIELDS.

P.S. The plan of profile and decks will be returned to your tomorrow.

Secretary.
