

W130-0143

SUPERHEATER Endorsement.

Shipbuilders: Messrs. *J. Readhead & Sons* Yard No. *515*

Engineers: Messrs. " " " Engine No. *515*

Superheater Makers: Messrs. *The Superheater Co Ltd*  
*Edin No 12138 MK.*

It is submitted that the plans of superheaters merit approval for a working pressure of *220* lb. per square inch, provided the steel castings be made at approved works and tested as required by the Rules, a safety valve be fitted to each part of the superheaters which can be isolated from the boilers, and the superheaters be constructed under the usual conditions of survey and testing, and the whole be tested to three times the working pressure.

*Forward Survey Request Forms to Siran.*  
*Forward attached order to Birmingham Surveyors.*
