The Second Special Survey No.1 became due on this vessel in March last, and has been partly held.

The Kobe Surveyors now forward a translation of a letter received from the Owners intimating their desire to discontinue her classification with this Society.

The Classing Committee had the case before them on Thursday, 31st ultimo, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
