The Second Special Survey No.3 became due in the case of the "RECORDO" in November last and the Third Special Survey No.1 in the case of the "SILURIA" in October, 1935.

In reply to enquiry the Grimsby Surveyors now forward letters from the Owner stating that he has decided not to continue the classification of these two vessels with the Society.

The Surveyors add that this decision has been arrived at solely on account of the vessels' age.

The Classing Committee had the cases of these vessels before them on Friday, 11th instant, when they decided to give instructions for the character of each vessel to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owner's request.

17th September, 1936.
