Lloyd's Register of Shipping.

Port of GENOA

10th August 1929.

This is to Certify that ^{WE} I^{XX} have

Surveyed the Steel Twin Screw "MESSICO" 6482 tons gross of Genoa, whilst in Grazie Dry Dock and afloat at Genoa, on 6th February 1929, and subsequently for classification,

and that ^{WE} I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that ^{WE} I have Recommended that she be classed in the Society's Register Book 100 A- with freeboard,

being fit to carry dry and perishable cargoes in lower holds and suitable cargoes in Tween Decks (cargo battens not fitted in Tween Decks)

James S. Quinston for self & R. S. Johnson
 Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
