The Second Special Survey No.1 on this vessel became due at the end of last month.

The Society's Surveyors at Kobe now forward a translation of a letter received by them from the Owners, to the effect that they do not wish to continue the vessel's class with this Society.

The Classing Committee had the case before them on Friday, the 1st instant, when, in the circumstances they decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
