Ref. FR/10McE-13

Dear Sirs,

S. I am favoured with your letter of the 28th instant respecting the steamer "SAN UGON", and note that the Owners intend obtaining a certificate of seaworthiness from the Mexican Government to bring her to this Country for breaking up purposes.

Having regard to the conditions under which the vessel has hitherto retained her class, the Committee, who have had the case before them today, have had no alternative, but to give instructions for her class to be expunged from the Register Book with a red line, indicating non-compliance with the Society's Rules.

Thanking you for your courteous attention in the matter.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
