

Laid up
Tampico

s.s. "SAN UGON"

29 OCT 1935

The class is subject to a bower anchor being supplied at the first convenient opportunity.

The 1st S.S.No.3 became due 5,33.

The vessel has been laid up at Tampico and the usual undertaking has been furnished.

A letter has now been received from the Eagle Oil & Shipping Co.Ld. stating that the Owners intend to obtain a certificate of seaworthiness from the Mexican Government (the vessel being under the Mexican flag), and that on receipt of this certificate they will load a cargo for this country, after discharge of which the vessel will be sold for the purpose of breaking up.

They add that this action will of course automatically cancel the vessel's classification with this Society.

The year of grace expired 5,34.

The case is submitted for the consideration of the Committee.
