M.

Sir,

In compliance with the request contained in your letter of the 22nd instant, I have the pleasure to enclose herewith a copy of the first entry report of the Steam Hopper Barge "STONEWELL".

I may explain that some little difficulty has been experienced in making out this copy owing to the first entry report form being different to that in use at the time the vessel was built, but it is hoped that the particulars supplied will be sufficient for your purpose.

I think it well to add that this vessel is a sister vessel to the "JAMES NO. 46", "JAMES NO. 47" and "ROCKWELL", for which it is concluded the first entry reports will be in your Office.

I am, Sir,

Your obedient servant,

P. L. Warlow

Secretary to the
Glasgow Committee.

The Secretary.
