23rd November, 1911.

Gentlemen,

I am in receipt of your letter of yesterday's date respecting Leith Report No. 13365 on the donkey boiler for The Goole Shipbuilding & Repairing Co's No. 145 vessel (S.S. "TEES") and with regard thereto I have to acquaint you that attached to Hull First Entry Machinery Report No. 24199 in the case of Messrs. Osbourne Graham & Co's No. 159 vessel is a copy of a letter dated 2nd September last and signed by Mr. Barclay to the Society's Surveyors at Sunderland advising Leith Report No. 13365 for their information in completing the LMC Survey of that vessel.

I have therefore to request that you will be good enough to state for which vessel the boiler in question is actually intended.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,

HULL.

Secretary.
