The Boiler Survey became due in the case of this vessel at the end of last month.

The Genoa Surveyors now forward a letter, dated 12th ultimo, received by them from the Owners, from which it is noted that, in view of the service in which the vessel is engaged, they have decided not to maintain her classification with this Society.

The Classing Committee had the case before them on Friday, 19th ultimo, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots inserted in lieu thereof (.) indicating withdrawal of class at Owners' request.
