-----

The Second Special Survey No.2 became due on this vessel in May last.

The usual Survey Notice was addressed to the Owners in June last, and the Society's Surveyors at Kobe now forward a letter they have received from the Owners stating the vessel is now engaged in the Formosan trade and they wish to withdraw her classification from this Society.

The Classing Committee had the case before them on Friday, the 23rd instant, when in the circumstances they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
