10th August, 1937.

Dear Sirs,

H.

With reference to the classification in the Society's Register Book of the steam trawler "AVE MARIS STELLA", I beg to draw your attention to the fact that the Annual Boiler Survey which became due so long ago as January last, has not yet been held, and I am informed by the Society's Surveyors at Antwerp that enquiries that they have addressed to you on the subject have failed to elicit a reply.

I may say that this case has received the consideration of the Committee at their meeting to-day, and that in view of the Boiler Survey being now six months overdue it will be necessary for this inspection to be held without further delay if the vessel is to retain her class in the Society's Register Book.

In the circumstances I shall be obliged if you will kindly let me know as soon as possible what definite arrangements you have made in the matter.

I am, Dear Sirs,

Yours faithfully,

Messrs. Ch. & L. Ghys,
