ENCL.

22nd December, 1911.

Dear Mr. Daniel,

I enclose as desired a copy of the freeboard computation for the S.S. "MELBOURNE" built by the Flensburg Shipbuilding Co., Ltd. We have not yet issued a certificate. You will observe that she is a similar case to the "MANNHEIM" and "ALBANY" copies of which were recently sent you.

I am extremely sorry to hear that Mr. Archer has been obliged to take a rest under medical advice, and sincerely hope that he will speedily benefit by the same and be restored to health.

With the Season's compliments, in which Mr. Grier joins,

Yours faithfully,

Geo. R. Marcus
