Dear Mr. Scott,

I expect Mr. Sim has forwarded to you the original of the enclosed copy of a letter from the Dai ren Kisen Kaisha in which they indicate their decision to withdraw the remaining 17 of their vessels from Classification with the Society.

I received a copy of this letter from Mr. Sim on the 29th November and at once sent a personal telegram to Mr. Yasuda, President of the Company (and a Member of our Japan Committee), also to Mr. Yokota, Manager of their Superintendents Dept., to ask if I could do anything, personally, to help their reconsideration of the matter. I also telegraphed to Mr. Sim to call upon them with the same object. As a result of these steps I received a letter from them of which I now enclose a translation.

I might explain that this Company is closely connected with the Government, and I was impressed by the fact that all 17 vessels were withdrawn from Class at one stroke, without any previous warning. In fact, the "Yuki Maru" was just completing her Special Survey in this district, and we had been requested by their local Branch to attend to the "Manshu Maru", when the Dai ren letter was written, so that the step must have been decided upon quite suddenly.

In order to find out whether there might be some political motive behind it I asked Mr. Sim to propose to them that instead of taking them all out at once they might take them out gradually, as each one became due for its next Annual Survey. This would have made no difference to them so far as Surveys were concerned. However, I have now received a telegram from Mr. Sim stating that they insist upon complete withdrawal at this time, which rather indicates that their action is not unconnected with the present anti-British activities now so prevalent here.

Yours faithfully,

Malcolm K. Scott
