

MON. JAN. 3 1921

Halifax, Nova Scotia

November 25th, 1920.

T. MOON

the Halifax Shipyards, Limited, attend on board the S.S. "CANADIAN MARINER", the Halifax Shipyards' Limited Hull No. 1. 5384.30 gross tons register, for the purpose of verifying the freeboard marks provisionally assigned by Lloyd's Register of Shipping.

The marks were found correct as follows:

Statutory deck line $1\frac{1}{2}$ inches above the steel upper deck at side

Centre of disc 6 ft. 2 inches below the statutory deck line

Load line in fresh water 6 inches above the centre of the disc

" " " Indian summer $5\frac{1}{2}$ inches above the centre of the disc

" " " summer at the centre of the disc

" " " winter $5\frac{1}{2}$ inches below the centre of the disc.

T. Moon.
