

London, 8th April, 1930.

Steamer "KONSAN MARU"

6 JUN 1930

The class is subject to additional bilge  
scuppers being fitted in the engine room.

In reply to enquiry the Kobe Surveyors write  
that as the vessel is not expected to return to Japan  
until September next, the Owners desire to defer the  
matter until that time.

IT IS SUBMITTED action be deferred.
