-----

The Second Special Survey No. 3 which became due in the case of this vessel in July last, was partly held in November 1936.

In reply to enquiry the Society's Liverpool Office now forward a letter, dated 12th instant, received by them from the Owners, from which it is noted that they no longer desire to maintain the classification of the vessel with this Society.

The Classing Committee had the case before them on Friday, 23rd instant, when they decided to give instructions for the character of the vessel to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
