Ocean Chambers, Lowgate,

Hull, 1st June 1906

The Secretary,

London,

Sir,

In reply to your letter of the 31st ult,
 respecting the amount of fee charged for the Special Survey
 during construction of the steam trawler "Thistle"; Hull Report
 No. 17913, we have respectfully to inform you that this vessels
 gross tonnage is 228.41 and the deductions are crew space 20.91,
 above crown of Engine room 9.14 which =

228.41	less	20.91
30.05		9.14
<u>198.36</u>		<u>30.05</u>

so that the tonnage for fee is 198 tons and not 258 as given
 on report, leaving an adverse balance of 60 tons, which makes
 the overcharge £3/-/- to be refunded.

We are,

Sir,

Your obedient Servants,

for the Surveyors,

M. Rowell
