Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

31st May, 1937.

Dear Sir,

I have to acquaint you that the Committee recently agreed to a proposal of the Owners of the m.s. "CORABANK" to postpone the completion of the S.S. No.1 until the vessel's return to this side from the Far East at the beginning of 1938.

The Load Line Certificate for this ship will expire on the 13th August next and in order that it may be extended until the 31st January, 1938, as desired by the Owners, it will be necessary for a general examination.

The Owners state that the vessel is now proceeding from San Pedro to Manila where she is due on the 8th July, and I have therefore to request that you will carry out a general examination equivalent to an Annual Survey and extend the Load Line Certificate and copy until the 31st January, 1938.

I may add that the contents of this letter was sent to you by ordinary mail on the 25th instant.

I am, Dear Sir,

Yours faithfully,

C.B. Nelson, Esq.,

MANILA.

Assistant Secretary.
