Re "Manshu Maru"

Sirs,

We are desiring to hear your opinions concerning re-classification of the sunken steamer "Manshu Maru", details undermentioned.

The steamer sunk in the Inland Sea on the 27th May, 1945, by striking mines and we are now contemplating to float and repair by the Harima Shipbuilding Co., Ltd., if possible to get her classified by your esteemed Society as an ocean going steamer.

We also want to know, if possible what steps to be taken for. Expecting your kind suggestion, we remain.

Yours faithfully,

For the Nippon Senpaku Kogyo, Co. Ltd.

Y. Okage

President
