The Second Special Survey No.2 became due in  
January 1936, and has been partly held.

The vessel has been laid up at Leith and the  
usual undertaking was furnished by the late Owner in  
February last.

A letter has now been received from a Mr.Bell  
to the effect that the trawler has now passed into his  
hands and that he desires to dispense with her classification  
in this Society's Register Book.

In the circumstances, the Classing Committee, who  
had the case before them on Tuesday, 29th ultimo, decided  
to give instructions for the vessel's class to be expunged  
from the Register Book with a red line (637), indicating  
non-compliance with the Society's Rules.

  
1st July, 1937.
