The Secretary,  
London, England,

Dear Sir:-

I beg to acknowledge receipt of the classification certificates for hull and machinery of the S. S. "CANADIAN SEIGNEUR" duly corrected and in reply to your letter of the 27th, of October 1919, I have to state that the intermediate stiffeners of the tween deck bulkhead of this vessel were fitted 5"x 3" angles as approved. The 3"x 3" on page three of my report was a clerical error.

Yours very truly,

*H. J. Alderson*
