The Boiler Survey became due on this vessel in October last.

In reply to enquiry, the Society's Surveyors at Kobe now forward a copy of a letter addressed to them by the Owners, intimating that they have decided to withdraw the classification of the vessel from the Society's Register Book.

The Classing Committee had the case before them on Tuesday, the 8th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
