Dear Sir,

With reference to the steam trawler "EXMOUTH" which has been under survey at this port for hull damage after collision, I beg to advise you that notice of 2nd Special Survey No3 due March 1937 was duly given to the Owner.

The Owner has decided to request that the vessel's classification be withdrawn and has written to you to this effect. In view of the vessel's age and general condition I made no attempt to dissuade him from this course. and the survey for damage repairs has now been discontinued.

I am, Dear Sir,

Yours faithfully,

The Secretary,
