Copy

Bank Chambers,

2, Freeman Street,

Grimsby, 4 June 1919

Dear Sirs

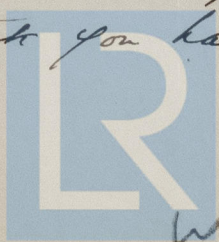

Messrs Robey & Co L^{td} Lincoln have despatched their Standard A Class Enquiries No 27018 & 27019 to Messrs Littlehall Rakegate for completion.

I enclose herewith forging reports on the piston & connecting rods & crankshaft, the authorisation letter & a typed list shewing the amount of work done by Messrs Robey.

Yours faithfully
J. B. Ritchie

The Surveyors
Sheffield

If these Enquiries do not include Tunnel & thrust-
fts, thrust block, stern tube, propeller, screw shaft
sea connections. They are to be completed to
completion of which I think you have a copy got.
