To the Surveyor at BOMBAY.

Vessel's Name, S.S. "PRABHAVATI".

QUESTION.

I shall be glad if you ascertain from the Owners and know what arrangements they are making to carry out the shaft Survey which became due at end of last month.

ANSWER.

Date:— Bombay, 27th November 1936.

The Owners regret that these shafts were recently submitted for the Government survey without my being informed. They will be again drawn in for inspection at the next docking in a few months time and the Owners hope that this meets with the approval of the Committee.
