The Boiler Survey, which became due in September last,
remains to be completed.

The vessel recently changed ownership, and a letter
from the new Owners has now been received intimating that
they have decided to transfer the vessel's class to the
Germanischer Lloyd.

The Classing Committee had the case before them on
Friday, 10th instant, when, in the circumstances, they
decided to give instructions for the vessel's character
to be withdrawn from the Society's Register Book and Three
dots (. . .) inserted in lieu thereof indicating withdrawal
