30th May, 1933.

Dear Sir,

H.

I am in receipt of your memorandum of the 20th instant intimating that you have been informed that the steamer "MOCAMBIQUE" is due at your port about the 11th or 12th of next month, and that the Boiler Survey will be carried out on her arrival. In reply I have to say that the case has received consideration today, and that in the circumstances the Committee are agreeable to this arrangement. I am directed to say, however, that in view of the fact that the inspection in question became due so long ago as August last, the Committee must require the survey to be held as now arranged.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

G. T. B. Scullard, Esq.,

LISBON.
