QUESTION.

ANSWER.

With reference to my letter of the 21st December last I shall be glad to learn how this case now stands.

Date:— 25th March, 1938.

I called on the Ferries Manager last week with regard to the LMC (M) survey due 9.37 and he informed me that, as the vessel is subject to B.O.T. survey, the question whether the vessel's classification should be maintained would shortly be discussed by the Ferries Committee. I am informed that the matter was before the Committee last night and it was decided to withdraw the vessel from class. It was stated that a letter to this effect will be forwarded in due course.
