s.s. "SOUTHLAND"

This case is fully stated in endorsement dated  
26.7.37.

As the 1st S.S.No.2 became due in 5,35, and the  
1st S.S.No.3 will become due in 5,39, and in view of the fact  
that no Special Survey has been held on this vessel since she  
was built, it is submitted that the Dunedin Surveyor be informed  
that, as regards the hull, <sup>the machinery</sup> the requirements of S.S.No.3 should  
be complied with before the vessel proceeds to sea.

"Diplomacy" - R.S.

Being everywhere at once like a

cat has, R.S. it was almost S.O.B. S. S. for all

and no more at this, R.S. it was almost like S.

and some times that he had used and yet the last

part of it was almost and had had the last of it

and S.O.B. S. S. to almost the end, and the end of it

was of almost the end and the end of it
