Southampton, 11th. February. 1930.

Secretary,

LONDON.

Dear Sir,

Regarding your letter of the 6th. instant, concerning 3 cylinders, supplied to M.M. "SOUTHLAND", we are informed by Messrs. Petters, Ltd., Yeovil, that these cylinders were made by them to the order of Messrs. Petters, (Ipswich) Ltd., before the Yeovil firm required that business. They were not informed that these cylinders were for a classed Vessel, consequently we were not advised, and the cylinders were tested by themselves.

We are, Dear Sir,

Yours faithfully,

*P. A. Dryden Jones*  
pro the Surveyors.
