ENCLOSURES.

24th May, 1946.

Dear Sirs,

S. I have to acknowledge the receipt of your letter of the 20th instant in regard to the steamer "PERLA", ex "URANIA" and in compliance with your request I enclose certified copies of the last classification certificates issued on this vessel. I would point out that the Special Survey was held in December, 1937, and not December, 1938, as stated by you.

I think it well to add that subsequent to this Special Survey the vessel was dry-docked in February, 1940, at South Shields when the Boiler and Screwshaft Surveys were held and a docking date 2,40 and records BS 2,40 and screwshaft seen 1,40 were assigned to the vessel as a result of this survey.

Yours faithfully,

Clerk to the  
Classification Committee.
