Dear Sir,

s.s. "Perla" ex "Urania".

We beg to advise you that this vessel was requisitioned by the British Naval Authorities in 1941 and was sunk whilst in their service.

The Owners are now communicating with the Admiralty with regard to the compensation payable to them and, to this effect, it will be necessary to give the Admiralty some proof of the condition of the vessel.

The vessel underwent her last Survey in Hull in December, 1938, and it will greatly assist the Owners if you could either let us have a letter stating that she had completed her Survey at Hull in 1938, or probably it might be easier for you to let us have copies of the Certificates then issued.

Thanking you in anticipation,

Yours faithfully,

For & on behalf of
NOMIKOS (LONDON) LTD.

W. Gundry

Director.
