6th December, 1920.

Dear Sirs,

With reference to your First Entry Report No. 73892 on the S.S. "LORD BROUGHTON", I shall be glad if you will be good enough to state the thicknesses of the poop and forecastle side plating when forwarding your final report. You should also state whether the size given for the stiffeners on the longitudinal hold bulkhead is correct as it is not in accordance with the size on the plan.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
