Reference

Dear Sir,

The S.S. "PATMOS" at present under survey with a view to class, I enclose section and Profile in German, and shall be glad to know if the anchors and cables at present on board are sufficient for this vessel. Also if any additional strengthening will be required if when fully surveyed the scantlings come out equal or nearly equal to the plans.

I may state that the vessel is in excellent condition and has been well kept up.

Anchors - Taylor's patent.
