Dear Sir,

With reference to the S.S. "PATMOS" at present going through survey with a view to class, I understand that the Board of Trade at Leith have some of the plans etc. which they kept when assigning a freeboard, would it be possible to get these plans for reference?

This vessel has anchors and chains tested at Sunderland in L.P.H. by Germanischer Lloyds. Will these certificates be accepted if found in order or must the anchors and chains be retested?

I am, Dear Sir,

Yours faithfully,

E. D. Cisker

The Secretary,

London.
