LLOYD'S REGISTER  
Received  
- 5 SEP 1938  
And. Ch. 10/9.  
LONDON

Dear Sir,

We are in receipt of a letter from the Rotterdam Office informing us that the Yard No. 219, for which the three auxiliary engines as given in our first entry report No. 279 were built, is a none propelled barge. When building these auxiliary engines we have been informed by Messrs. Humboldt-Deutzmotoren A.G., that a main engine was also proposed to be built. This information was, as has now been learned, incorrect. Under these circumstances an amount of fees RM 200.--- (trav.exp. RM 45.---) will be charged from the engine builders. We shall be glad if this amount could be set in on our first entry report No. 279.

The Rotterdam Surveyors have been advised directly.

We are, Dear Sir,

Yours faithfully  
The Surveyors to Lloyd's Register

The Secretary,

London.
