

COPY.

C.F.R.

Enclosure.

21st September, 1925.

Dear Mr. Keith,

I duly received your letter of the 16th instant, and am very much obliged to Mr. Harper for having kindly sent on a copy of the "NAUTICUS", dated 5th instant, containing a reference to the case of the s.s. "SAPINERO".

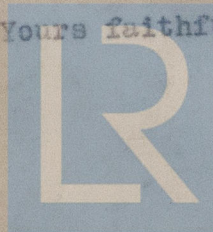

I may say that when the "SAPINERO" was under repair at Devonport in 1919, a Special Survey was held upon her by Mr. James French, Chief Surveyor for the United States and Canada, (who happened to be in this Country) and Mr. David Nicholas, the Principal Surveyor on the London Outdoor Staff, in company with the local Surveyor, so that the Society is fully informed as to the actual facts.

I return the copy of "NAUTICUS" which accompanied your letter.

Thanking you for your attention.

Yours faithfully, © 2019

D.M. Keith, Esq.,
LIVERPOOL.
