3rd May, 1919.

Dear Sir,

I have to acquaint you that in consequence of your telegram of the 1st instant, intimating that the "SAPINERO" would not dock until to-day, and would not be ready for survey until Monday, 5th instant, it will be impracticable for Mr. French to attend as at first intended, but Mr. Nicholas, the Principal Outdoor Surveyor at this Office, is arranging to travel down to Plymouth to-morrow afternoon in order to survey the vessel on the following day.

I am, Dear Sir,

Yours faithfully,

Secretary.
