7th January, 1900.

Dear Sir,

I beg to acquaint you that the Society's Surveyor at Dairen has forwarded to this Office your letter of the 18th November last, addressed to him, indicating that you have decided to withdraw from the Society's Register Book the classification of your 17 vessels mentioned below, viz:

The matter was reported to the General Committee at their Meeting on the 4th instant and they have asked me to express a sense of their regret at the termination of the long standing and friendly association between your good selves and this Society which, they feel sure you will agree, has been of mutual advantage.

They have been given to understand, however, that your decision is final, and in the circumstances they have had no option but to give instructions for the class of each vessel to be withdrawn from the Society's Register Book and Three Pence (. . .) inserted in lieu thereof, indicating withdrawal of class per Owner's request.

I am, Dear Sir,
Yours faithfully,

Secretary.

Messrs. The Dairen Kisen Kabushiki Kaisha,
