## Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

29th April, 1919.

Dear Sirs,

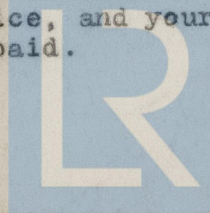

With reference to your First Entry Reports on the new Steamer "CAIRNGOWAN" ex "WAR ORIOLE", I have to acquaint you that the Fees chargeable to the Builders for the Survey during construction should be in accordance with the usual scale, namely:

|                           |       |            |                        |
|---------------------------|-------|------------|------------------------|
| HULL, Tonnage for Fees .. | 5033. | Fee        | £. s. d.<br>150. 16. 6 |
|                           |       | 1st Entry. | 5. 0. 0.               |
|                           |       | Total:     | 155. 16. 6             |
| MACHINERY: ... ..NHP.     | 517.  | Fee        | 45. 17. 0.             |
|                           |       | 1st Entry. | 3. 0. 0.               |
|                           |       | Total:     | 48. 17. 0.             |

Special Fees will be chargeable to the Admiralty in respect of the special services rendered by the Society's Surveyors for supervision during construction up to the time of the transfer of the vessel to private ownership, as follows, namely:

|                 |                    |
|-----------------|--------------------|
| HULL.....       | £60. 0. 0.         |
| MACHINERY ..... | 52. 0. 0.          |
|                 | <u>£112. 0. 0.</u> |

The account for these amounts will be rendered to the Admiralty from this Office, and your account will be credited when the same are paid.
